Independent Auditor's report
on financial statements of
International Charitable Foundation
'Ukrainian Foundation for Public Health'
as at December 31, 2024

Addressee:

Board of the International Charitable Foundation '*Ukrainian Foundation for Public Health*'

General Meeting of the International Charitable Foundation '*Ukrainian Foundation for Public Health*'

Opinion

We have audited the financial statements of International Charitable Foundation '*Ukrainian Foundation for Public Health*' (hereinafter – the Foundation), which comprise of Statement of financial position (Balance sheet) as at 31 December 2024 (form No. 1-m) and the Statement of comprehensive income for the year 2024 (form No. 2-m).

In our opinion, the accompanying financial statements of International Charitable Foundation '*Ukrainian Foundation for Public Health*' present fairly, in all material respects, in accordance with the National Accounting Standard 25 *Simplified financial statements*.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the International Charitable Foundation '*Ukrainian Foundation for Public Health*' in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Ukraine, and we have fulfilled our other ethical responsibilities in accordance with

these requirements and IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

The financial statements have been prepared on the assumption that the Foundation is able to continue its operations on a going concern basis. The Foundation prepares its financial statements as a small business entity in accordance with the National Accounting Standard 25 *Simplified financial statements*, which does not require the presentation of notes and descriptions of significant accounting policies and other significant matters. Therefore, disclosures of management's plans and difficulties in operating under martial law were not provided in the company's financial statements. We draw the attention of the users of this report to the fact that the Foundation's activities, as well as the activities of other enterprises in Ukraine, are and will continue to be affected by the uncertainty caused by the full-scale armed aggression and invasion of the territory of Ukraine by the Russian Federation. The extent to which these events impact the economic environment in which the Foundation operates is largely dependent upon the nature and duration of uncertain and unpredictable events, such as further military action, sanctions and reactions to current global financial market developments.

Our opinion on this matter has not been modified.

Other matters

Ukrainian legislation, and especially tax legislation, contains provisions that may be interpreted in different ways and a practice whereby the tax authorities exercise their discretion to make decisions when the regulatory framework for such decisions is insufficient. In order to conduct its main activity, the Foundation actively engages individual entrepreneurs and individuals under civil law contracts. As of the date of issuance of this Independent Auditor's Report, it is not possible to determine what the approach of the State Tax Service of Ukraine will be in respect of certain transactions with individual entrepreneurs and individuals engaged under civil law contracts and the possible potential impact on the future financial position of the Foundation.

Responsibilities of management and those charged with governance for the Financial Statements

Management of International Charitable Foundation '*Ukrainian Foundation for Public Health*' is responsible for the preparation and fair presentation of the financial statements of Foundation in accordance with Law of Ukraine *On Accounting and Financial Reporting in Ukraine* No. 996-XIV of 16.07.1999, with the National Accounting Standard 25 *Simplified financial statements* and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing of the International Charitable Foundation '*Ukrainian Foundation for Public Health*' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the International Charitable Foundation '*Ukrainian Foundation for Public Health*' or to cease operation, or has no realistic alternative but to do so.

The Board is responsible for overseeing of the International Charitable Foundation 'Ukrainian Foundation for Public Health' financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Board, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
